

Eileen Diamond, PhD
Western Governors University
Clinical Supervisor

December 9, 2024

To Whom It May Concern:

I am pleased to write this letter of recommendation for Ann Allmand, who recently completed her student teaching at Indian Hill Primary School in Cincinnati, Ohio. During her time there, she demonstrated excellent teaching skills, professionalism and a commitment to the academic and personal growth of her students.

One of Ann's greatest strengths is her ability to collaborate and embrace feedback. She collaborated effectively with colleagues and participated in team and district professional development.

Please feel free to contact me at my cell phone (513-53-7991) or email (drdiamond4@gmail.com) if you have any questions or would like additional information.

Sincerely,

Eileen Diamond, PhD
